Thrift is not an affair of the pocket, but an affair of the character; it is not niggardliness, but wisdom. Thrift is not so much a matter of money as an attitude of mind. Thrift is not a mere forced rule; it is a virtue and a principle.

Thrift induces saving. Saving induces thrift.

SEAMEN'S BILL WOULD GIVE TRADE TO JAPAN

[By Latest Mail]
WASHINGTON.—Surrender of commerce on the Pacific ocean to Japan would follow enactment of the La Follette seamen's bill, Captain Robert Dollar, spokesman for the San Francisco Chamber of Commerce and Pacific Owners' Association, told the house marine committee.

"We are unable," he said, "to maintain competition on the Pacific with Japanese, if we are not to employ Asiatic crews. Operation of ships under the American flag is already too expensive for us. Passing this bill means the extinction of what little life there is left in American commerce on the Pacific." It will give the Japanese their long-desired wish to dominate that ocean.

This announcement was made after Lieutenant Porte, who arrived from abroad, had conferred with officials of the Aero Club of America. Whether Lieutenant John H. Towers, U. S. N., will be assistant pilot has not been determined.

The consent of the government will be necessary if he decides to accept the place. Lieutenant Porte, it was announced, will go with Glenn H. Curtiss to Hammondsport, N. Y., where the Wamaker flier is to be constructed.
